Training session 10

"Best practices from the EWWR 2017"

7 September 2018

From 11:00 to 12:30 (CET)

This training session will focus on some of the winning awareness-raising actions of the 9th European Week for Waste Reduction (EWWR) Awards. Participants can learn in detail about the best practices for waste prevention, reuse and recycling implemented during the EWWR 2017 from each category of Action Developers. The presentations will give some insights into the participants' involvement and show how each action can be successfully implemented.

>>>> **Schedule:**

11:00 Welcome

11:05 Presentation of five winning actions

- > Public administration and organisation: **La Louvière³: zero waste objective** - City of La Louvière (Wallonia, Belgium)
